## Expression of interest

I am interested in joining a working group on:

**Residential Villages and Parks**

**( CARPRA - Caravan and Residential Parks Residents Association)**

This working group is made up of caravan park, residential park and residential village residents from across Victoria.

The group focuses on increasing resident knowledge and understanding of the issues in this sector and seeks to lobby for more community and government action, as well as law reform.

**Independent Living Units (ILU's)**

This working group aims to identify the main issues affecting residents in not-for-profit retirement villages and works towards a source of action to improve the conditions of this much neglected housing sector.

The idea is to inform residents about their rights and increase understanding about this housing type. It is a fairly new group and we are looking for more ILU residents to become involved and have their say.
