Expression of interest

I am interested in joining a working group on:

- Residential Villages and Parks**
This working group will focus on bringing together residents of parks and villages from across Victorian to increase their knowledge and understating of the issues in this sector and to lobby for more government action and law reform

- Independent Living Units (ILU's)**
This newly formed working group will begin to build a membership of ILU residents, to identify the main issues affecting residents and decide upon a source of action to improve the housing conditions of this much neglected housing sector.
