HAAG's 2026 Calendar

HAAG's 2026 calendar is packed with the dates of significance for HAAG, such as general meetings, working group meetings, our twice a month radio show, dates of significance for first nations, migrant, LGBTIQ+, disability communities and for all older people.

The photos feature some of our fabulous members enjoying HAAG events. Pick up a copy at the office, hang it on your wall, and remember to come and get involved at one of our many events. To confirm dates and times please contact haag@oldertenants.org.au or call us on (03)9654 7389

HAAG's working groups

Have you ever wondered how members of HAAG can get more involved and make a bigger difference in their community for all kinds of older peoples' housing? Joining one several working groups is a great way to do just that!

Retirement Accommodation Action Group (RAAG)

If you've been horrified at the recent media stories about Retirement Villages and Land Lease communities and would like to help the campaign for these protections for residents, RAAG is the group for you! RAAG is for residents of retirement housing, including ILUs, retirement and rental villages, land-lease communities and residential parks.

Older Renters Working Group

Our newest working group represents older renters in private rental, rooming houses, Public or Community Housing. There are so many issues for HAAG to campaign about in this space including more public housing, better public housing, better protections for private renters, and so much more. So we'd love more older renters to join our bi-monthly meetings

Lesbian, Gay, Bisexual, Transgender, Intersex, Queer, Asexual + (LGBTIQ+) Working Group

Our LGBTIQ+ Working group have been really active holding

information sessions to spread awareness about homelessness and HAAG's services in their community.

National Alliance of Seniors for Housing (NASH)

Our national working group of older people from around the country takes on issues of national significance. They are gearing up for campaigning for solutions for the housing crisis facing older people.

Multicultural & Multifaith (M&M working group)

The group aims to address the gaps in service delivery to people in the CALD community and help HAAG can make our service more accessible. The group is made up of volunteers who engage the community in their language

New South Wales Lived Experience Action Group (LEAG)

NSW LEAG are campaigning for action on housing and service delivery for older people across the state of New South Wales.

More working groups

Queensland Housing Older Women's Movement (HOWM)

HOWM are friends and members of HAAG although HOWM is not a working group of HAAG. They've been really active in establishing community-led alternative housing models as well as campaigning for change in the Queensland. Find out more and get involved with HOWM at housingolderwomen.org.au

Save Public Housing Collective (SPHC)

Another group of friends of HAAG are the Save Public Housing Collective. They've been active in amplifying the voices of residents of the Public Housing towers across Melbourne that are slated for demolition. To find out more and get involved with SPHC go to savepublichousing.com
