*Home at Last* can help you to find a home that you can stay in for the long term.

Usluge **Napokon kod kuće (Home at Last)** mogu vam pomoći naći stambeni prostor u kojem ćete moći ostati dugoročno.

You may be eligible for public housing, which is affordable and is suitable to your needs as you get older.

Možda ćete imati pravo na državni smještaj koji je cijenom prihvatljiv i koji odgovara vašim potrebama koje će se starenjem mijenjati.

If you are not eligible for public housing, we can help you with other housing.

Ako nemate pravo na državni stambeni smještaj, možemo vam pomoći doći do drugog stambenog rješenja.

"Rental is too expensive, I can't afford it on the aged pension"  
"Iznajmljivanje je preskupo, ne mogu to priuštiti s mojom starosnom penzijom."

"As we grow older, we really want our own space"  
"Kako postajemo stariji, sve više želimo svoj vlastiti prostor"

"Now the kids have grown up, I feel like I'm not needed anymore"  
"Sada kada su djeca odrasla, osjećam se kao da više nikome ne trebam."

"The house is too crowded now and I really want my peace"  
"Kuća je sada pretrpana i zaista mi je potreban vlastiti mir."
