Home at Last can help you to find a home that you can stay in for the long term.

Usluge *Napokon kod kuće* mogu vam pomoći naći stambeni prostor u kojem ćete moći ostati dugoročno.

You may be eligible for public housing, which is affordable and is suitable to your needs as you get older.

Možda ćete imati pravo na društveni smještaj koji je cijenom prihvatljiv i koji odgovara vašim potrebama koje će se starenjem mijenjati.

If you are not eligible for public housing, we can help you with other housing options.

Ako nemate pravo na društveni stambeni smještaj, možemo vam pomoći doći do drugog stambenog rješenja.

“Rental is too expensive, I can’t afford it on the aged pension”
“Iznajmljivanje je preskupo, ne mogu si to priuštiti s mojom starosnom mirovinom.”

“As we grow older, we really want our own space”

“Kako postajemo stariji, sve više želimo svoj vlastiti prostor”

“Now the kids have grown up, I feel like I’m not needed anymore”

“Sada kada su djeca odrasla, osjećam da više nikome ne trebam.”

“The house is too crowded now and I really want my peace”

“Kuća je prenapučena i zaista mi je potreban vlastiti mir.”
